

AI in Action

Utah Bankers Association Workshop Agenda

DAY 9:30 AM to 3:45 PM	VENDOR SESSIONS 2 × 30 minutes	COPILOT BUILD LAB 60 minutes
PARTICIPANT REMINDER: Please bring your laptop. Microsoft Copilot will generally be used for the hands-on activities.		

Run of Show

Time	Session	Purpose
9:30 to 9:45	Welcome, Introductions & Workshop Overview	Set expectations, gauge experience levels, and establish the outcomes for the day.
9:45 to 10:45	Hands-On AI Working Session	Practice practical AI applications and build confidence through guided exercises and peer sharing.
10:45 to 11:30	Banker Presentation: Actively Using AI	Hear how a banker is applying AI today, including real use cases, lessons learned, and adoption considerations.
11:30 to 12:15	Lunch	Forty-five-minute lunch.
12:15 to 12:45	Vendor Session 1	Focused demonstration tied to a real banking problem, followed by implementation considerations and Q&A.
12:45 to 1:15	Vendor Session 2	Focused demonstration tied to a real banking problem, followed by implementation considerations and Q&A.
1:15 to 2:00	Enablement & Adoption (Potentially Sponsored)	Explore how banks can move from individual experimentation to coordinated, responsible AI adoption.
2:00 to 2:15	Break	Refresh and prepare for the agent workshop.
2:15 to 3:15	Microsoft Copilot Agent Creation Workshop	Walk through agent creation, discuss strong opportunities, and build and test an agent.
3:15 to 3:45	Show and Tell, Key Takeaways & Close	Share what was built, capture lessons learned, and name the next action participants will take.
