

### **Internet and Telephone Providers Offer Relief**

FCC Chairman Ajit Pai recently announced the [Keep Americans Connected Initiative](#). In order to ensure that Americans do not lose their broadband or telephone connectivity as a result of these exceptional circumstances, he specifically asked broadband and telephone service providers, and trade associations, to take the Keep Americans Connected Pledge. So far, more than 550 companies and associations have signed the Chairman's pledge to Keep Americans Connected.

The Federal Communications Commission has a [list of companies](#) that have signed the Keep Americans Connected Pledge. If you need help, call your service provider.
