

**Curt Queyrrouze**

President & CEO
TAB Bank

Prior to joining TAB Bank, Curt amassed over 30 years of commercial finance and commercial banking experience. His career has included various credit, sales, and portfolio management positions in asset-based lending, factoring, corporate banking, oil and gas finance, real estate lending, financial institutions, healthcare finance, and middle marketing lending. Previous roles include Senior Vice President/Director of Loss Mitigation for Whitney Bank where he managed the resolution of a multi-billion-dollar problem loan portfolio. He also previously served as Division Credit Executive for PNC Business Credit and as Chief Operating Officer of The Receivable Exchange, playing a critical role in the launch of this internet-based, factoring auction platform.

Curt holds a Bachelor of Science degree in Accounting from Louisiana State University. He has also taught many classes on financial analysis, cash flow analysis, loan structuring, and workout strategies. He has served in many volunteer leadership positions for non-profit organizations advocating arts and humanities and disease awareness and prevention. As President, Curt oversees all strategic, financial, credit, and operational functions of the bank.
