TESTIMONIAL:

"Although I have been through a few annual audits already, I have picked up several beneficial tips that I was actually able to apply, during our annual audit. In one year, I went from not know what Vendor Management was, to excelling at this course and having a spotless VM Audit. I enjoyed the course being self paced. The lessons were easy to follow and I now have tools that I will be able to hold on to for the future."

- Rebecca Hopkin, MI

INSTRUCTOR:

Jon Waldman, CISA, CRISC
Co-founder, SBS
Senior Information Security Consultant

PRICE:

Certification: \$999
Annual Renewal: \$295
