

Utah Bankers Association Political Action Committee

AUTHORIZATION FORM

UBA PAC is the Utah Bankers Association’s Political Action Committee. UBA PAC supports candidates for political office who share and support the views of Utah bankers. UBA State PAC supports candidates for state office and UBA Federal Action PAC supports candidates for federal office. A candidate’s commitment to promoting the interests of UBA members and a responsive relationship with the banking and financial services industry are primary considerations when deciding which candidates will receive UBA PAC contributions.

UBA State PAC Contributions: No Authorization Required

Although contributions to the UBA Federal Action PAC require prior authorization, as explained below, contributions to UBA State PAC have no similar requirement. What this means is that UBA members may contribute to the UBA State PAC at any time.

UBA Federal Action PAC Contributions: Prior Authorization Required

The UBA Federal Action PAC must obtain written authorization from each corporate member in order to solicit the member’s executive and administrative employees (individuals employed by the corporation who are paid on a salary, rather than hourly, basis and who have policy-making, managerial, professional, or supervisory responsibilities) for UBA Action PAC contributions. Authorization may be granted by any person with the corporate authority to do so. Your corporation can provide authorization to solicit your officers and employees for federal PAC contributions to only one trade association in the same calendar year. As indicated below, your corporation can give the UBA Action PAC the authority to solicit for multiple years in advance.

Please complete the form, signing for each year for which you are providing authorization, and promptly fax or mail the completed form to the number/address shown below.
