David A. Dickinson

David's banking career began as a field examiner for the FDIC in 1990. He later became a Compliance Officer and Loan Officer for a small bank. In 1993, he established Banker's Compliance Consulting. Along with his amazingly talented Team, he has written numerous compliance articles for prestigious banking publications and has developed compliance seminars that Banker's Compliance Consulting produces.

He is an expert in compliance regulations. He is also a motivational speaker and innovative educator. His quick wit and sense of humor transforms the usually tiring topic of compliance into an enjoyable educational experience. David is on the faculty of the Center for Financial Training, the American Bankers Association National Compliance Schools and is a frequent speaker at the ABA's Regulatory Compliance Conference. He is also a trainer for hundreds of webinars, is a Certified Regulatory Compliance Manager (CRCM) and has been a BankersOnline Guru for many years. The American Bankers Association honored David with their Distinguished Service Award in 2016.

David and his wife Karen have three adult children and two grandsons (none of whom live at home!) and three cats (of which Dave is allergic ... the cats, not the children!). They live on a lake in Nebraska and when possible, he can be found fishing or making sawdust in his shop. David plays the guitar & piano and enjoys singing with Karen. They occasionally lead worship at their church.

Kevin Edwards

Kevin brings years of experience and a unique perspective on regulatory matters to our clients. A self-proclaimed geek and accredited CRCM, Kevin is also a recovering attorney with experience as in-house counsel for a large regional bank and one of the leading national title insurance providers. For reasons unknown, Kevin decided to leave the safety and serenity of his desk job to seek fortune and glory as a wandering adventurer. Like a bank compliance version of Kwai Chang Caine, The Man with No Name or Don Quixote, he now travels the land seeking to help those in need and righting compliance wrongs, wherever he may find them.

Kevin lives in Sioux Falls with his wife and his three children, who are surprisingly normal after having endured their father's vivid imagination for their entire lives. He won't admit to having any hobbies, because apparently "Regulations never sleep." (While he does say this in his Batman voice, we're pretty sure he's joking.) From the looks of his Facebook page, he likes the outdoors and spending time with his large extended family (who seem like relatively normal people).
