Additional Information Required

Change in Company Operations

If your company was acquired by or merged with another entity, or you are combining the results of related companies you MUST provide verifiable financial data and a reconciliation summary as part of the application process.

Publicly-Traded Company

Publicly-traded companies must be Gator owned or led by a University of Florida alum or former student who served as a chief executive (e.g. CEO, President, Managing Partner, Owner, etc.). Please see our criteria page [here](#) for information on the qualifying ownership date ranges.

The University of Florida reserves the right to verify applicants meet the criteria, reject any applicant for any reason, and modify requirements as needed without notification.
