Nothing in this section, however, will be construed to preclude the Association from engaging the services of a Director or the Director's company, employer, or associate so long as the relationship is fully disclosed to the Association. A Director having a conflict of interest will not use personal influence in order to obtain a contract with the Association; however, a Director may state his or her position and answer pertinent questions with respect to the matter. The indemnified party does not have to be a Director or Officer or committee member at the time the expenses or liabilities are incurred or imposed. In the event, however, of a settlement before entry of judgment, the indemnification shall apply only upon approval of the Board of Directors as being in the best interests of the Association. This indemnification is in addition to, and not exclusive of, all other rights to which such Director or Officer or committee member may be entitled. This indemnification does not apply in the case of an action by, or in the right of, the Association. A current or former Director or Officer or committee member is entitled to indemnification only if he or she acted in good faith and in a manner that he or she reasonably believed to be in, and not opposed to, the best interests of the Association, and (where applicable) if such Director or Officer or committee member had no reasonable cause to believe that his or her conduct was unlawful. This indemnification shall be made in accordance with Florida Statutes Sections 607.0831 and 607.0850, as amended from time to time.
