cruising aboard the Exclusively Chartered Deluxe AMADEUS SILVER II featuring the GLACIER EXPRESS

June 13 to 23, 2018
Dear Gator Traveler:

Join the University of Florida on this Great Journey through Europe, the trip of a lifetime and an opportunity to retrace the traditional “Grand Tour” undertaken by enlightened ladies and gentlemen of the 17th, 18th and 19th centuries. Travel through four countries and the western heart of the Continent on this carefully planned, exclusive itinerary. Cruise the spectacular UNESCO World Heritage-designated Rhine Valley, passing the lush vineyards of its Rheingau wine region on the river’s bank, and through Holland’s picturesque waterways, surrounded by polder land reclaimed from the North Sea. Experience three of the world’s great railway journeys and visit four important UNESCO World Heritage sites.

Spend two nights in lovely Lucerne in the Five-Star HOTEL SCHWEIZERHOF, where glorious Alpine panoramas surround you. Then, cross the mountainous backbone of Switzerland aboard the celebrated, ingeniously engineered Glacier Express railway, and, in Zermatt, marvel at the iconic Matterhorn as you travel aboard the Gornergrat Bahn, the country’s oldest cog railway. From Zermatt, journey overland through the verdant, picturesque countryside of Switzerland to Basel. Stop in the medieval gem of Berne and in scenic Interlaken in the foothills of the magnificent Bernese Oberland Alps.

The exclusively chartered, deluxe AMADEUS SILVER II, launched in 2015, provides our elegant accommodations en route from Basel to Amsterdam, the Netherlands. Port calls along the way include the lovely Alsatian city of Strasbourg, France, a fusion of both French and German cultures, and Rüdesheim, Koblenz, Cologne, and Mannheim for Heidelberg, Germany.

This extraordinary Great Journey through Europe travel program is an excellent value with all excursions and deluxe accommodations included. Early Booking Savings are available only through November 20, 2017, so reserve now as space is limited and this popular program sells out quickly!

Sincerely,

Your University of Florida Alumni Association Team
Depart the U.S. for Zurich. On arrival, enjoy a scenic transfer to Lucerne and check into the lakeside Five-Star HOTEL SCHWEIZERHOF. This evening, join your travel companions for the Welcome Reception in the hotel.

**Lucerne**

**Day 3**
A long-favored destination of travelers, Lucerne is set against the backdrop of its deep blue lake and the rugged grandeur of Mounts Pilatus and Rigi. Begin your morning walking tour in the Weinmarkt (wine market), surrounded by historic burghers’ houses. See the Hofkirche (Court Church), one of the finest examples of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution.

Walk across Lucerne’s most famous landmark, the delightful, 14th-century wooden Chapel Bridge, which spans the Reuss River and whose arched roof is adorned with paintings depicting Swiss history and mythology.

Ascend Mount Pilatus by panoramic gondola to its 7000-foot summit for a magnificent 360-degree view of central Switzerland’s mountains, forests and lakes. Enjoy lunch in a summit restaurant before boarding the Pilatus Railway, the world’s steepest cogwheel railway. Descend more than 5300 feet in less than three miles on return to the shores of picturesque Lake Lucerne, where you will embark upon a scenic cruise.

**Lord of the Rings**

**Day 4**
Relax during a scenic morning transfer from Lucerne to Andermatt. Lunch is included in Andermatt before boarding the fabled Glacier Express, “the world’s slowest express train.” Travel through the heart of the Alps, where the natural beauty of the mountains rivals the skill and ingenuity of the engineers who created the impressive rail route.

Arrive in the Alpine resort of Zermatt, located beneath the dramatic pinnacle of the iconic Matterhorn. Check into the chalet-style HOTEL ALEX. This evening, dine in the hotel’s handsome, traditional Swiss restaurant.

**Zermatt**

**Day 5**
Today, travel aboard the famous Gornergrat Bahn, the highest cog railway in Europe. Ascend through pine and larch forests and cross meadows ablaze with wildflowers to the 10,100-foot-high Gornergrat. From the observatory atop the summit, delight in the sweeping vistas of Europe’s most breathtaking Alpine scenery—the serrated profiles of the Matterhorn, the Liskamm and Dufourspitze mountains and the vast Gorner Glacier. Return to Zermatt at your leisure, with the option to stop en route at Riffelberg for a panoramic view of the impressive Monte Rosa and the majestic Matterhorn.

Enjoy dinner in the hotel this evening.

**Bernese Oberland**

**Day 6**
Early this morning, continue your journey through one of the most stunning areas of Switzerland, the spectacular Bernese Oberland,
traveling from the soaring heights of the Alps to subtropical lowlands. Admire the impressive natural treasures of soaring, snowcapped mountain peaks, green, rolling hills, crystal-clear glacial lakes and densely wooded forests.

Stop in the charming resort town of Interlaken, located between Lake Thun and Lake Brienz. Here, you will find the perfect vantage point for viewing the towering, UNESCO World Heritage-designated Jungfrau, an imposing summit in the Bernese Alps known as the “Top of Europe.”

Transfer across the rolling Swiss countryside to Berne, Switzerland’s historic capital. Visit the city’s Old Town, a UNESCO World Heritage site and beautifully preserved medieval gem noted for its arcaded sidewalks. Then, enjoy lunch in an 18th-century High Baroque-style granary converted into a traditional Bernese restaurant.

In Basel, embark the ship and attend the Captain’s Welcome Reception and Dinner this evening.

Visit Berne’s Old Town, a UNESCO World Heritage site featuring the medieval Zytglogge, the 13th-century tower with an ornate 15th-century astrological clock.

Strasbourg, France
Day 7
The lively Alsatian city of Strasbourg fuses Old and New Europe. The Old City, a UNESCO World Heritage site, is a treasure trove of medieval houses, and the charming Ponts-Couverts—covered bridges flanked by watchtowers at each end—span its picturesque canals.

It was in Strasbourg that John Calvin first established a reformed parish. See remnants of the Reformation in the beautiful Protestant and Catholic Church of St-Pierre-le-Vieux and see the graceful sandstone Catholic Cathedral of Notre Dame, a Romanesque-Gothic masterpiece that, according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.”

The fairy-tale appearance of a past era lives on in the Petite-France district, the historic miller, tanner and fishermen’s quarter along the Ill River. Nearby, member nations of the European Union engage in the daily discourse of the European Parliament.

Mannheim for Heidelberg
Day 8
This morning, transfer from Mannheim to Heidelberg, where luminaries such as Goethe and Schumann once came to experience the intellectual atmosphere of Heidelberg University, the oldest in Germany, founded in 1386. To many on the historical “Grand Tours” of Europe, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive with the spirit of Romanticism.

On the walking tour, see how Heidelberg has preserved its authentic Renaissance-Baroque character, including the eight remaining arches of the famous Alte Brücke (Old Bridge) spanning the Neckar River. Visit the stately ruins of imposing Heidelberg Castle, a 13th-century embodiment of the city’s medieval past perched above the river.
Reboard the ship and cruise through the pastoral Rheingau, Germany’s most famous wine-growing region, known particularly for its Riesling.

**Rüdesheim/Koblenz**

**Day 9**

Dock in the medieval town of Rüdesheim, the heart of Germany’s wine country. Enjoy a tour aboard the unique Winzerexpress mini-train, traveling through bucolic countryside vineyards en route to a private tasting of German wines.

Cruise through the spectacular UNESCO World Heritage-designated Rhine River Valley, legendary for its scenery and riverside architectural treasures. Be on deck for a front-row view as, with nearly each bend in the river, steep, terraced vineyards rise on the slopes, medieval castles crown the crags and tranquil villages emerge along the banks. See the famous Lorelei Rock—legend holds that a beautiful siren once lured sailors here with her enchanting song.

The picturesque city of Koblenz is strategically positioned at the confluence of the Rhine and Moselle Rivers. Here, Germany’s Roman past dates to 9 B.C., during the reign of Augustus Caesar. From the famous Deutsches Eck (German Corner), look out across the Rhine River to view the impressive, 19th-century fortress of Ehrenbreitstein, once the residence of the powerful Archbishop-Electors of Trier. Explore this historic city during a walking tour and see the twin-towered Basilica of St. Castor, which was built between the ninth and 13th centuries and features the Rhineland’s distinctive Romanesque architecture.

**Cologne**

**Day 10**

Arrive this morning in Cologne, one of Germany’s most ancient cities. Founded as a Roman military outpost in 38 B.C., Cologne has flourished as the Rhineland’s foremost mercantile and religious center from the time of Charlemagne to present day, and it is the birthplace of the original world-famous Eau de Cologne perfume. Explore the Altstadt (Old Town) and visit the historic Kölner Dom (Cologne Cathedral), the finest example of High Gothic architecture in Germany. This UNESCO World Heritage site, whose construction began in 1248 and lasted for six centuries, showcases such artistic treasures as the Milan Madonna and the Shrine of the Three Holy Kings.

Enjoy a leisurely afternoon cruising along the picturesque Rhine River. This evening, attend the Captain’s Farewell Reception and Dinner.

**Amsterdam, the Netherlands/U.S.**

**Day 11**

Following breakfast, disembark the ship and continue on the Golden Age of Amsterdam Post-Program Option or depart for the U.S.

Towering spires crown Cologne’s majestic Kölner Dom (cathedral), one of the finest Gothic structures ever built.

Magnificent. Dynamic. Awe-inspiring. These are superlatives that describe not only Switzerland’s majestic 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers, but also three of the world’s great cogwheel railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and the ingenuity and engineering achievements it took to create them. Appreciate the visionary work and vast scope of these impressive railways as you experience the sublime majesty of the iconic Alps from incredible, up-close perspectives.

The **Gornergrat Bahn** is Switzerland’s oldest electrified cog railway, in operation since 1898. In the brief span of five miles, you will climb nearly 5000 feet from Zermatt to lofty Gornergrat. En route, look for stunning views of the great Matterhorn, hanging glaciers and the robin’s-egg blue waters of glacial mountain lakes.

Lucerne’s **Pilatus Railway** offers breathtaking bird’s-eye views of Swiss farms and coniferous forests along its three-mile run from the summit of Mount Pilatus to the shores of Lake Lucerne. Its vertical descent of nearly 5400 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat required greater skill and determination than the laying of the track for the **Glacier Express** (1930) across the spine of the towering Alps. Enjoy this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, glacial waterfalls and snowcapped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that span the tumbling headwaters of the Rhine and Rhône Rivers.

**Travel through Switzerland’s dazzling Alpine heart in absolute comfort aboard the marvelous and celebrated Glacier Express.**
