

Join us

See UF Health's world-class Veterinary Hospital at the World Equestrian Center & meet fellow Gators.

August 2, 2025

The tour is free & begins promptly at 11 am (arrive early - directions below)
After the tour, we'll drive to the Equestrian Hotel for lunch at the Yellow Pony (*order off the menu at your own expense*).

Don't miss this opportunity to tour UF's one of a kind veterinary hospital, offering state of the art care for large and small animals with specialists in medicine and rehabilitation including aqua treadmill, vibration plate, cold water spa, dry salt, solarium, laser, extracorporeal shockwave therapies and much more. We should all be Gator proud to have this gem in Marion County. See video here: <https://hospitals.vetmed.ufl.edu/wec/>

Please let us know if you are attending or if you have questions: terrybclevenger@gmail.com or 813-550-8684

Directions

From the entrance to the World Equestrian Center off St. Rd. 40. (just west of NW 80th Ave). Allow enough time since WEC is very large and the tour begins promptly at 11 am. Go through the Entrance Gate (NW 1st State Rd). Take the first right onto NW 10th Ln. Travel past the show barns and UF Veterinary Hospital will be on your left (just before the curve). Meet in the lobby.

If you are only joining us for lunch at the Yellow Pony, once you pass though the entrance gate, continue straight (go past the Stadium Jumping arena) and you will see a sign on the right for The Equestrian Hotel. The Yellow Pony is in the lobby. We should be finished with the tour before noon and will drive to the Yellow Pony from the Veterinary Hospital.
