Businesses/Affiliates Membership and Fees - 2027

Affiliate membership in URMIA is available for companies servicing the needs and purposes of higher education risk management professionals. Membership dues are based on your company's specific annual revenue from higher education. All memberships expire on December 31 of each year and will be prorated if a company joins after January 1 and has not been a member within the previous three years. Dues are non-refundable.

URMIA Membership Category	Eligibility	Number of Individual Members Included	Annual Dues	Annual Fee per Additional Non-Voting Member

Voting Member: Affiliate members designate one "Voting Member" to serve as a primary contact for the URMIA membership. When requested, the voting member will cast a vote on behalf of the entire organization. Additional administrative duties include serving as the billing contact (or delegating this to someone else), assigning/approving individuals as "Members" under the organization's membership umbrella, and keeping the organization's profile and membership roster current with the URMIA office.

Additional Individuals with Member Benefits: Organizational memberships include a set number of individual members based on the URMIA Membership Type (see chart above). Other than the designated Voting Member, members have no voting privileges. Voting Members may add additional members under the organization's membership for an extra fee per person per year.

Information for institutions of higher education, student, and retiree memberships can be found on the URMIA website.
