## What leadership skills and talents make you a good candidate?

Many of you know me and what I have done on behalf of URMIA. For those that I haven't met yet, I look forward to working with you, listening to your needs as a higher education risk professional, and making URMIA the premier organization for all of our members' needs.

## What would you bring to the board (e.g., thought leadership, talent, skillset, ability, etc.)?

I believe that my unique blend of strategic vision, relationship-building skills and experience within many facets of URMIA's operations make me well qualified to be URMIA President.
