

Your Benefits: URMIA Student Members

Note: You must sign in to the website to see and access all member benefits. Enjoy exploring the fascinating profession of higher education risk management!

For over fifty years, URMIA has brought people together to help higher education risk managers find solutions to their challenges and implement the latest best practices. Your membership connects you with a supportive community of mentors and resources to foster your professional growth as you explore this fascinating career path.

Connections with Mentors

URMIAnetwork Online Communities

You are a member of the All Members Community and the Institutional Members Community. You are welcome to introduce yourself, ask questions, and join discussions!

Professional Development Events

Conferences

URMIA offers regional conferences in the spring and an annual conference in the early fall. Watch for [annual conference scholarships](#) and apply for this special opportunity!

Webinars & Community Conversations

URMIA offers webinars on a wide range of topics. You are welcome to listen in on URMIA's facilitated virtual *Community Conversations* on a wide range of hot topics concerning higher education risk.

Other Professional Development Resources

URMIA Matters Podcasts

Our [podcast series](#) helps you keep up on emerging issues in higher education and best risk management practices while on the go.

URMIA Insights

This [online publication](#) offers brief topical articles for and mostly written by members. You will get a monthly email digest of new Insights content and member news.

URMIA Shorts

These are brief [introductory videos](#) for members on the profession and topics of interest to higher education risk managers.

Risk Management Study Group

URMIA members enjoy free registration for this [online resource](#) to help you prepare for The Institutes ARM™ designation exams.

Career Center

Many of our members started their careers with a part-time job or internship in their campus risk management office. Our career center offers resources and job listings for those seeking open positions at all levels in higher education risk management.

Special Services

Concierge Service

ASK
LOU

URMIA offers members *an experienced higher education risk management professional* who serves as your personal guide to the URMIA tools and resources you need to do your job. Just hit the *Ask Lou* button anywhere on the website to get help.

About the Profession

Core Competencies for Higher Education Risk Managers

This [URMIA resource](#) lays out a framework of individual characteristics — including knowledge, skills, abilities, and behaviors — that identify proficiency and excellence at different career levels and within the overall profession.

URMIA Risk Management Resource Guide
