On behalf of the Conference Committee and our Board of Directors, welcome to Salt Lake City and URMIA's 49th Annual Conference, Exploring Landscapes of Risk.

We are thrilled you chose to spend your valuable time with us to advance the discipline of risk management in higher education. You will enjoy an atmosphere of fun and learning as URMIA brings together risk management thought leaders from across the country, and you will return with an expanded network of risk professionals to help you.

The weekend begins with the president’s reception, a golf outing, our 10th annual URMIAcare community service project and the always popular new-member and first timer session. The official start of the event begins on Sunday evening with the opening reception, in the beautiful center courtyard of the Grand America Hotel.

On Monday, our keynote speaker will be Elizabeth Smart, her abduction was one of the most followed child abduction cases of our time. You will have the opportunity to purchase her new book and get her autograph afterwards. At lunch on Monday, Dr. Randal Picker, James Parker Hall Distinguished Service Professor of Law, University of Chicago, will give a provocative presentation on free speech and why it should matter to educators. Tuesday morning kicks off with more on this important topic. Ann Franke, Wise Results LLC; Kimberly Goff-Crews, Yale University; Gloria Graham, University of Virginia; and William Thro, University of Kentucky, will discuss free speech and the "controversial" speaker. The conference wraps up with Andy Brantley, President and CEO, College and University Professional Association for Human Resources (CUPA-HR). His talk is entitled "#TimesUp We Must Use the #MeToo Movement to #ChangeTheCulture."

Our stay in Salt Lake City will close with an evening at the Natural History Museum of Utah, a stunning building nestled into the foothills of the Wasatch Mountain Range with panoramic views inside and outside. Enjoy delicious food, drinks and educational exhibits as we share this last evening of the conference together.

We sincerely thank our conference sponsors for their continued support. Their commitment to this organization is more than appreciated. Please take time to visit their tables in the Grand Ballroom reception area to learn more about the services they offer. Additionally, we want to also thank our presenters for their dedication and professional expertise.

Thank you for joining us in Salt Lake City!
