### **IF YOU WIN AWARD, WHERE TO SEND NEWS RELEASE (optional)**

Your Media Relations Department e-mail contact

Local newspaper e-mail contact

Other professional organization e-mail contact

**Please provide a thorough description of the nature and scope of the issue and why it required a truly new approach.**

**Please provide a thorough description of the unique or innovative approach and how it is unique or innovative.**

**Share the resources required, and cost of program design and implementation.**

**Please provide the process by which the program was vetted, approved, and implemented.**

**Please provide a thorough description of the potential or actual cost savings – reduced frequency, severity of loss, insurance cost reduction, and/or other tangible or intangible benefits to the institution**

**Please provide the applicability at other institutions with similar exposures - Is your solution scalable for smaller/larger campuses?**

**Combine this completed form with supporting materials to create one pdf file  
Send the pdf file as an attachment to your e-mail to [urmia@urmia.org](mailto:urmia@urmia.org)**

### **Review & Presentation Process**

The URMIA Honors Committee will review program entries and select a maximum of three “finalists” and then the URMIA membership will vote to determine the winner. There will be a maximum of one UISA recipient each year.

Information on the selected finalists will be displayed on the URMIA website and featured at the annual conference. Finalists are to supply a presentation for distribution to the membership and to be shown at the annual conference. The presentation should consist of three slides with a 60-90 second recording describing the solution (URMIA can help support production).
