Welcome to EVALExperience. To help you get started, we have provided you with instructions to walk you through the registration process. If you have any questions, please email advantage@vmug.com.

**Registration Email**

1. Once your Advantage subscription has been uploaded to Kivuto, you will receive a confirmation from Kivuto welcoming you to EVALExperience.

2. To complete your registration, click on the link underneath the “Complete Your Registration” header in the welcome email.

**Registration Page**

1. To complete your registration, you must enter your name, create a username, confirm your email address, and choose a password. (NOTE: Your email will be pre-populated. Do not change your email address)

2. Once you complete your registration, you will be asked to fill in some additional information: Company Name, Company Size, and Country.

**Registration Confirmation**

1. Upon completion of the registration, you will be taken to a page welcoming you to the webstore. To begin browsing the products, click on the “Start the EVALExperience with VMUG Advantage” link.

2. In addition, you will also receive a registration confirmation email from Kivuto with the username you created during registration.
Select a Product

1. The product page contains all the products available for download. Simply click on the desired product box to begin the download process, or for more information.

Check Out

1. To add a product to your cart, click on the “Add To Cart” button.
2. Once you have added a product, click on the products to your cart. If you wish to add more products to your cart, click on the “Continue Shopping” button.
3. Agree to the VMware EULA
4. Fill out the product questions
5. Review your order and click on “Proceed with Order”
6. Update your profile, click “Next”
7. You should receive a receipt and a button to begin your download.

Download Product

1. This window will contain all the necessary components to complete your download. Click on the green buttons to begin downloading your program.
