### **In Memoriam**

It is with deep sadness WWCDA® mourns the loss of Danielle Trostorff, longtime member and former leader for the WWCDA Louisiana Chapter (formerly New Orleans Chapter). Danielle was an accomplished white collar law attorney, earning her BS from Cornell University and MSW and JD from Washington University. Most recently, she was Of Counsel with Degan, Blanchard & Nash where she advised clients on health care regulatory matters. At DBN, Danielle's scope of work included handling matters before the Provider Reimbursement Review Board and other administrative review bodies, CMS, the OIG, federal AUSAs, State Medicaid fraud units and federal courts. She had previously worked at Baker Donelson for more than 15 years as a partner in the Health Care Law Department, concentrating in Regulatory and Compliance.

We will miss Danielle immensely, but we celebrate her leadership, support, and contributions. Danielle's impact with the organization and in the field of white collar law will carry on through the positive work she has done throughout her career. WWCDA extends our deepest condolences to her family, friends, colleagues, and clients.
