OPPOSE THE GOODLATTE BILL AND RYAN BILL

Facebook:

On Thursday, the House of Representatives is expected to vote on two anti-immigration bills that would negatively impact families fleeing violence, people seeking asylum, and survivors of domestic violence — and disproportionately impact people based on race, ethnicity, gender, and religion. These bills lack a clear, sensible solution for DACA recipients, maintains the harmful "zero-tolerance" policy that is traumatically separating children from their parents; and increase immigration enforcement measures that further criminalize people of color.

Urge your members to speak out against policies that forcibly break up families and VOTE "NO" on the Securing America's Future Act (H.R. 4760) and the Border Security and Immigration Reform Act (H.R. 6136): <https://www.votervoice.net/Shares/BkKCAGrACKIOAyT4uS7EAA>
