# YWCA SEXUAL ASSAULT AND/OR TRAFFICKING SURVIVOR AND PREVENTION PROGRAMS

YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

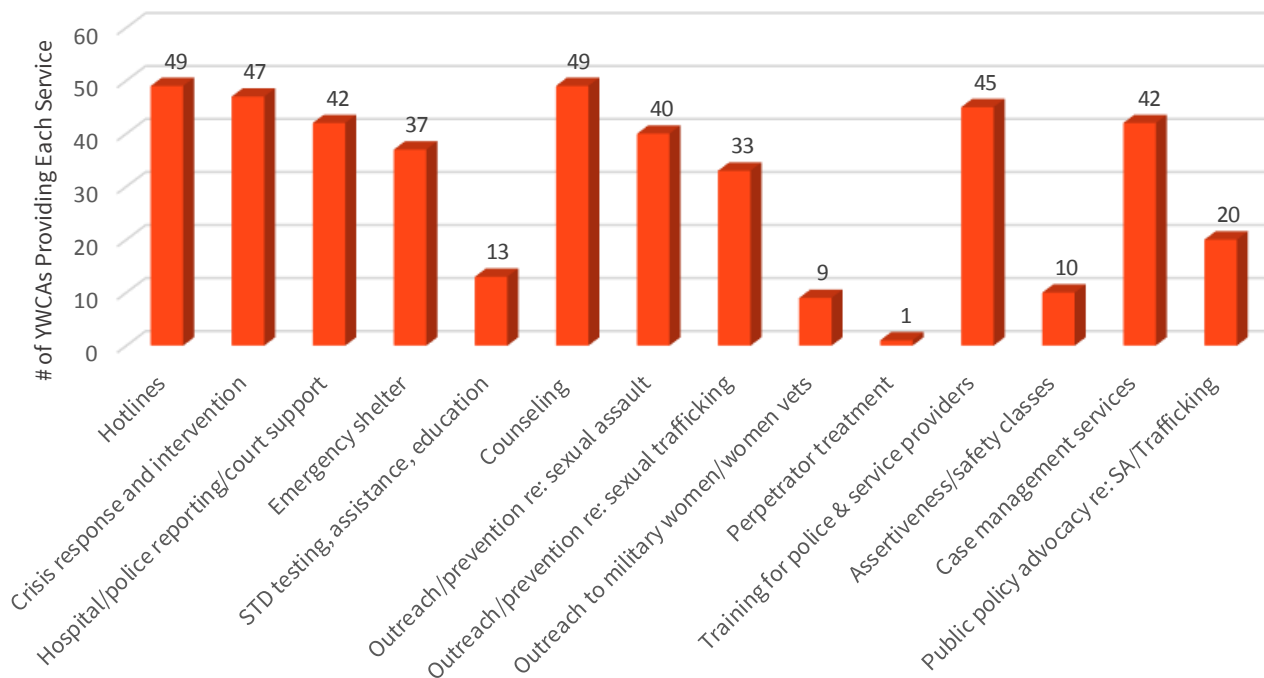

29%, or 59 YWCAs, have designated sexual assault and/or trafficking services as one of their major programs. This report is part of 2017's YWCA USA metrics and impact data compilation.

Annually, YWCAs serve more than 89,000 women, girls and community members through programs that address sexual assault and/or trafficking. YWCA provides needed care and support for survivors and works at all levels to end gender-based violence.

Please find general information about YWCA programs that address sexual assault and trafficking on pages 1-5. Site specifics for YWCAs providing these programs are on pages 6-20.

## Evaluation

49% of YWCAs providing programs that address sexual assault and/or trafficking are evaluating their results.

As a result of YWCA care and support, achievements among clients served through these programs include:

- 100% indicating a positive response to the statement: "I feel safe"
- 85% reporting a reduction in trauma symptoms
- 100% developing a safety plan
- 78% experiencing fewer negative mental, emotional/or behavioral symptoms
- 74% experiencing a reduction in anxiety from beginning to end of their hotline call
- 100% reporting having received support to improve their ability to cope with the aftermath of sexual assault
- 90% reporting receiving support, resources, and referrals designed to reduce long-term trauma as a part of being accompanied to the hospital
- 99% reporting they were informed of follow up services
- 100% reporting improvements in their knowledge of human trafficking
- 97% reporting that they learned new information or acquired a new skill and/or resource to use to promote healthy relationships & counteract violence
- 100% identifying that they have more ways to plan for their own safety
- 93% reporting increased knowledge about community resources they may need in the future
- 82% gaining knowledge about health life style habits
- 80% indicating they feel more comfortable utilizing legal options

In addition:

- 73% of school districts in the YWCA service area conducted prevention programs
- 100% of local colleges and universities sent security officers to participate in sexual assault and trauma training
- 93% of student safety program attendees are now able to identify three safe adults to talk to for support and empathy
- 94% of child counseling clients increased their knowledge on how to respond to a potential perpetrator
- Our Public Policy Group is working hard to change laws to ensure that protection orders can be issued for longer than a two-year period. The sexual assault protections order (SAPO) bill is moving forward in the state legislature (WA) and we expect it to pass.
